

List of Publications

Describe your previous main publications, such as academic article(s), publication(s), academic presentation, industrial property right(s), invited lecture/talk, academic honor(s) etc. They should be listed in chronological order. Academic letters which are being submitted to academic journals must be determined to be published. Regarding academic article(s), for instance, each of them should be listed with reference to all author(s)' name(s), title of article, name of journal, with or without referee reading, volume number, issue number, page numbers and year of publication.
